

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality in order to meet the diverse needs of their clients.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They like providing products that energize both their partners and their dealers and offer production gains to their customers.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' requirements and skills combined with their understanding of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly committed to having both technical support and parts obtainable when it is needed. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning machines ready and working everyday is top priority. The company's top of the line technology delivers dependable machinery which eventually lowers your cleaning cost. The price, the service and the product all work as one so as to make them an industry leader.
